General Elections for the Home and School Association Board

Dear SS Philip & James Families:

The time has come to begin the nomination process for the 2017-2018 Home and School Association Board. Your input is vital to the continued success of our school and the Home and School Association.

The positions that are elected to the board are shown below. For a person to run in the election this May, they must be nominated. At the bottom of this letter is a nomination form that you can use to make such nominations. Anyone that is a member of SS Philip & James Parish and has a child attending the school may be nominated. The positions are as follows:

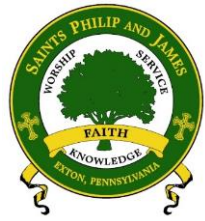

President
Vice President
Treasurer
Recording Secretary
Corresponding Secretary
Communication Liaison

To ensure enough time for the election process, we are requesting that all nominations be submitted to the school office no later than Monday, **April 10, 2017**. Should you have any questions or require more information about the positions and/or responsibilities, please do not hesitate to contact me. Once the nominations have been confirmed, a list of those running with a biography/personal history will be distributed prior to the Home & School Association General Meeting schedule for Monday, May 8th, when the elections will take place.
