Dear Parents,

Please complete the permission form at the bottom of this memo so that we are aware of your expectations as a parent of a student attending SS. Philip and James School. Your child's safety and security are our number one priority.

When we display a photo on any of these areas, we never include your child's last name.

We must have a copy of this completed and signed permission form for each student in our school.

My child's photo may be published in the following areas during the entire time that my child attends SS. Philip & James School. If I would like to change it, I will submit another form.
