August, 2016

Dear Parents,

We hope you are enjoying these summer months! It will be September before we know it! The tuition letters will be mailed to your home soon. We are grateful to our EITC/BLOCS donors for providing tuition assistance to our families.

Our classroom structures have been aligned with our enrollment and will reflect a few changes. Our Pre K will have two classrooms and we will have only one classroom for Kindergarten, First, Fourth, and Fifth Grades.

Mrs. Stanton retired during the summer. We are grateful to Mrs. Stanton for her years of service to SSPJ. What a wonderful teacher and role model for our students. We hope to see her as one of our substitute teachers during the coming year. Mrs. Schreiber is moving to Grade Five and Mrs. Patrizio is moving to Grade Three.

Mrs. Davis has returned to our main office! I am most grateful to Mrs. Romano for her time and talent during Mrs. Davis' absence.

In addition to the Church renovations, there is a great deal of work being done in school during these months! The bathrooms on the second floor of the original building are being completely overhauled! You will notice the difference. They match the first floor. The rest of the school is being scrubbed and prepared for the children's return. We look forward to seeing everyone in September!

God Bless you and your family!

Gratefully in the Lord,

Reverend Joseph C. Dieckhaus, JCL
Pastor

Sister Helen Thomas, IHM
Principal
