Dear Parents,

This letter provides information regarding re-enrollment, tuition deposits, student fees and tuition rates for the 2019-2020 school year.

Automatic Re-Enrollment:

All Smart Tuition accounts for currently enrolled students will be automatically rolled over for the 2019-2020 school year. Tuition rates, student fees and parish scholarships will be recorded for every student before the end of February.

Tuition Deposits:

The Tuition Deposit amount has been reset at \$200 per student for all grades (Pre-K 3 to 8th).

With the automatic re-enrollment process for every student in Pre- K 3 to seventh grade, it will no longer be necessary to complete the re-enrollment form or send a check to school. Tuition Deposits for next year will be automatically billed in your Smart Tuition account with payment due by February 15, 2019. Tuition Deposits will be applied toward the tuition amount for next year.

Please contact me at mmccafferty@sspjparish.net should you have any questions regarding the deposit payment timeline.

Student Fees:

As noted in Sister Teresa's letter in November we have changed the components of, billing and payment for the annual student fee. We have consolidated the student fee to include tech, homeroom, home and school, Option C, classroom and stationery supplies. We have also eliminated the financial requirement that the student fees be paid up front with the tuition deposits. For the upcoming school year, the student fee will be billed through Smart Tuition over a ten-month period of August 2019 through May 2020.

The grade level student fees of \$190 for Pre-K 3 to Kindergarten and \$150 for first through eighth grade are now consolidated amounts for various individual payments and supplies that have been provided by parents in the past (sanitizers, disinfectant wipes, tissues, etc.).

Grade specific items such as nap mats and tote bags are not included in the bundled fee and will be billed in Smart Tuition as separate line items. Field trips, graduation fees, seasonal celebrations and yearbooks are not included in the student fee.

Tuition Rates:

Please refer to the enclosed Rate Schedule for next year that reflects the Participating Family Rate, Tuition Deposit amount, Tuition Balance and the Monthly Tuition Payment (August 2019 through May 2020).

Please do not hesitate to contact me should you have any questions. Thank you.
