CYO TRACK & FIELD

Calling all kids in the Parish!

- **Did you know the Parish has a track and field team?**
- **Did you know that even Parish children in grades K-3 are eligible?**

We are excited for another spring track season and are looking for children of the Parish in grades K-8 to sign up for the team.

Registration is only \$25 for K-3

(Only \$55 for grades 4-8)

- Track is a great, low stress way for kids to exercise with their friends.
- Practices are typically held twice a week at Downingtown East HS.
- Meets are held on Sunday afternoons.
- The program is very fun and flexible so your child can still play another sport while running track.

COME OUT AND RUN!

Deadline for registration is February 25th
